About Babboe

Back and forth to school, the park or the playground? The Babboe cargo bike takes you and your family there in a safe, easy, fast and cosy way!

Babboe has a comprehensive range of cargo bikes and accessories and all Babboe cargo bikes have been tested for safety and durability.

Why the Babboe Carve?

The Babboe Carve has a unique mechanism that tilts the front wheels and box in the bend. This is how you experience the manoeuvrability of a two-wheeled cargo bike. The handy parking brake allows your children to get in and out of the cargo bike safely. With an optional extra bench you can transport up to max. 4 children.

The **Carve-E** has electric pedal assistance with 8 modes and a modern LCD display.

The **Carve Mountain** has a powerful Yamaha mid-drive motor with torque sensor. And its provided with Enviolo (Nuvinci) stepless gearing.
