About Babboe

Back and forth to school, the park or the playground? The Babboe cargo bike takes you and your family there in a safe, easy, fast and cosy way!

Babboe has a comprehensive range of cargo bikes and accessories and all Babboe cargo bikes have been tested for safety and durability.

Why the Babboe Curve?

The Babboe Curve is a stable three-wheel cargo bike with a large box and soft, round shapes. With the handy parking brake and the child-friendly steps, the children can get in and out safely. In addition, you can safely transport your baby with the Maxi Cosi carrier. The Babboe Curve has quality equipment – with stronger and thicker tyres and strong brakes.

The **Curve-E** has electric pedal assistance with 8 modes and a modern LCD display.

The **Curve Mountain** has a powerful Yamaha mid-drive motor with torque sensor. And its provided with Enviolo (Nuvinci) stepless gearing.
