

- ✓ Suitable for 1-4 kids
- ✓ Stable and handles like a regular bike
- ✓ Electric pedal assistance

## BABBOE<sup>Flow</sup>

## About Babboe

Back and forth to school, the park or the playground? The Babboe cargo bike takes you and your family there in a safe, easy, fast and cosy way!

Babboe has a comprehensive range of cargo bikes and accessories and all Babboe cargo bikes have been tested for safety and durability.

## Why the Babboe Flow?

The Babboe Flow is a stable three-wheel cargo bike with the steering characteristics of a normal bike, only the handlebars move and not the box. This makes the Babboe Flow slightly more stable than the Babboe Carve. Thanks to the handy parking brake, your cargo bike does not roll away and the children can get in and out safely. With an optional extra bench you can transport up to max. 4 children.

The **Flow-E** has electric pedal assistance with 8 modes and a modern LCD display.

The **Flow Mountain** has a powerful Yamaha mid-drive motor with torque sensor. And it's provided with Enviolo (Nuvinci) stepless gearing.

<b>Assembled dimensions (lxwxh)</b>			216 x 85 x 110 cm
<b>Box dimensions (lxwxh)</b>			+/- 109 x 68 x 58 cm (handlebars side) / 39 (front)
